**TO:** Grattan Academy Parents  
**FROM:** Mike Devereaux, Superintendent  
**RE:** *Asbestos Management*

**Dear Parents/Guardians,**

Each school in Michigan is required to have an asbestos management plan (40 CFR 763.80). This is known as AHERA and our buildings were inspected as required and plans were submitted to/approved by the Department of Public Health, Asbestos Division.

One copy of the plan is on file in our Principals' Offices at each of our buildings and one copy is on file at Saginaw Valley State University. If you have an interest, these plans are available for you to review during normal office hours. If you would like a copy of the plan it can be duplicated within seven working days at a cost of 15¢ per page.

Recently, we consulted with Asbestos Consultants of Michigan in Saginaw. As a result our management plan was updated.

Please contact our office if you should have any questions.

Sincerely,

Barb Antles  
Principal, Ele
